

Model. IFH2H

2Kw Industrial Fan Heater

Features & Benefits

- Supplied complete with cord and 13A BS approved 3 pin plug
- 3 Settings (Low 25/Medium1000/High2000W) with heat resistant carrying handle
- Adjustable thermostat 65°C with overheating protection and tip over safety switch
- Sturdy and durable with rubber feet for extra stability, stainless steel heating element and silver control panel
- Quiet running with upto 40m3 heating area capacity, no fumes, no odours or humidity

Safety Information

IMPORTANT - Before undertaking any work on or maintenance of fitting:-

- Switch off power supply and allow sufficient time to cool before handling
- Do not dispose of decommissioned fitting in household waste
- Dispose of fitting in the appropriate section of your local civic amenity site or recycling centre only

Product Summary

The CED Airmaster Industrial Fan Heaters are designed for heavy duty industrial usage. These simple and effective designs are sturdy and durable with safety and performance in focus. Fitted with over-heat protection, a tip-over safety feature and rubber feet for extra stability. They are available at 2kW and 3kW with 3 heat settings with heat resistant handy carrying handle for portable heating wherever you need it. The adjustable fan speed ensures you achieve your require temperature for your environment and the inbuilt fan can be use for cold air cooling with the low setting when necessary.

Technical Specifications

General Information	
Product Colour/Finish	Red/Black
Dimensions (mm)	250X240X348mm
Ingress Protection (IP)	IPX4
Electrical	
Input Votage (V)	220 - 240V AC
Output Rating (W)	2kW
Frequency (Hz)	50Hz
Working temperature (°C)	65°C
Mounting Position	Floor Standing
Mounting Bracket (Y/N)	None
Cable	Complete with Cable
Class	I
Approvals	CE, intertek GS
Energy Rating (ErP)	n/a
Performance Data	
Air Volume/Velocity (cbm)	186m3/h
Noise level (dB)	Quiet running
Tip-Over Sensor (Y/N)	Y
Over-Heat protection (Y/N)	Y
Construction	
Body	Powder coated heat-resistant steel housing with stainless steel heating element
Grill	Sturdy metal grills
Motor	n/a
Nett Weight	3.5KG
Gross Weight	4.0KG
Warranty Period (Years)	1Yr1Yr
Other	
Applications	Suitable for well insulated spaces or occasional use household, warehouses and workshops, building sites or greenhouses.
